### Victorian Borderline Personality Disorder (BPD) Mental Health Professionals' Network

Australian BPD Foundation Limited

The Mental Health Professionals Network ([MHPN](#)) has partnered with [The Australian BPD Foundation](#) and A/Professor Sathya Rao, Executive Clinical Director, Spectrum Personality Disorder Service to establish this multi-disciplinary network in Victoria.

### Purpose of the network:

- Bring together interdisciplinary practitioners and service providers who have a shared interest in BPD and learning how to better support people in Victoria living with Borderline Personality Disorder
- Create new opportunities for local professional development in the understanding and treatment of BPD
- Discuss how services and individual practitioners can work collaboratively together to meet the needs of people living with BPD and their families
- Strengthen professional relationships and enhance referral pathways between local practitioners and services
- Discuss how to progress effective BPD treatments within their practice setting
- Meet quarterly at The Bouverie Centre in Brunswick, Melbourne.

### Who may benefit from being involved?

All practitioners with a professional interest in mental health, including:

\*\* Psychologists \*\* Psychiatrists \*\* General Practitioners \*\* Mental Health Nurses \*\* Occupational Therapists  
\*\* Social Workers \*\* Counsellors \*\* Youth & Community Workers \*\* Counsellors \*\* Psychotherapists \*\* Child Protection Workers \*\* other professionals providing mental health and related care to people living with BPD

### How to join:
